Six Core Benefits. *One Promise.*

Because when your health is the issue, **waiting is not an option.** A single annual membership opens every door, both international and local, that RCM Health has built over three decades — rapid private access, a global expert network and a concierge team at your side, every day of the year, wherever you live or work.

01

Expedited Access to Private Care

| BYPASS THE WAITLIST

Avoid months — sometimes years — on public waitlists with rapid, guided access to private diagnostics, advanced procedures and top-tier specialists across Canada and worldwide.

02

RCM's Global Expert Network

| 4,000+ ELITE SPECIALISTS

Direct access to world-renowned Centres of Excellence for expert second opinions, advanced testing and treatments otherwise unavailable to most Canadians.

03

365-Day Personal Concierge Team

| EVERY DAY OF THE YEAR

Your dedicated Concierge, Medical Case Managers, Nurse Practitioners and Consulting Physicians — available year-round, every single day of the year.

04

Advanced Testing & Advisory

| YOUR DEDICATED ADVOCATE

From virtual or in-person expert second opinions to navigating cutting-edge therapies — we identify and present the options and secure the treatments you need at every stage of the journey.

05

Biomarker-Informed Prevention

| PREDICT • PREVENT • RESTORE • THRIVE

A proactive path to wellness built on advanced biomarker data — comprehensive metabolic, hormonal and cardiovascular profiling that adds years before symptoms appear.

06

International Health Insurance

| SEAMLESS GLOBAL COVERAGE

Optional access to international health insurance, with RCM guiding the application process, assisting with the underwriting, and the processing of claims whenever expedited care is required.
